

# BLOOD POISONED

SUFFERERS  
HERE IS FREE-  
DOM FOR YOU

It will bring happiness to thousands who are miserable  
FOERG REMEDY CO., Evansville, Ind.

I was taken down last fall with specific blood poisoning. I lay under doctor's care for five months, but nothing seemed to help me. I had great sores on my arms, legs and back and was desperate, when a friend induced me to try a bottle of your remedy. I did so. The first one produced some results, so tried another and another till I used eight in all, and was absolutely cured. Am now as sound as a dollar. If anyone has blood poisoning, for God's sake have them try Foergs. It will cure them.

S. G. GLENN, Crider, Ky.

It has been proven beyond the possibility of a doubt that this medicine quickly cleans up the worst cases of specific blood poisoning and all blood affections. Its work seems astonishing, almost miraculous. Its actual record sounds like a story of magic. But there is no room for doubt about it whatever; full proof, indisputable in every respect, we can submit regarding hundreds of cases—among them the case spoken of in this letter. The results are not only complete, but permanent. In this case of Mr. S. G. Glenn, it is now over one year since the disease was cleared out of the blood and no taint of it has appeared since.

This is not merely a commercial matter, it is a matter of humanity to tell everybody with a blood disease about this medicine. Among the many cases proven of astonishingly quick and complete cures, all of which seem to have been permanent, many were photographed in such a condition that a reproduction in a newspaper would be perhaps too shocking for print. This case, given here, in the name of humanity, by the patient's consent, is published in another newspaper refused to do so. Not a newspaper in Christendom but should publish every word of this information, if duty and not dollars were the governing rule.

With the above information before you if you go on suffering from the curse of poisoned blood, either primary, constitutional or as a result of mercurial treatment, don't wait till fate but simply blame yourself, for here is a cure—absolute and sure. Tainted blood manifests itself in the form of Eczema, Erysipelas, Rheumatic Pains, Stiff or swollen joints, Eruptions or Copper-colored spots on the face or body, Little Ulcers in the Mouth or on the Tongue, Sore Throat, Swollen Tonsils, Falling out of the Hair or Eyebrows, and finally a Leprous-Like Decay of the Flesh and Bones. If you have any one of these symptoms don't delay till too late but go to your druggist and get a bottle of
